

## Author Checklist

Before submitting your article, please ensure that you have provided the following (see Instructions for Authors for details):

### For all articles

- Separate title page, with all author information clearly given
- Authors' respective contributions, sources of funding and conflicts of interest clearly described
- Title maximum 110 characters and spaces
- Manuscript with 1.5 or double spacing, with sections on separate pages
- Continuous line numbering (1-∞) added throughout text, for ease of reference (click on File, Page setup, Layout, Line Numbers, Add numbering, Continuous numbering)
- Ethics statement and details of informed consent included in Methods section
- References in correct Journal style
- References cited consecutively throughout text (references in tables/figures are numbered according to where the table/figure is cited in the text)
- Tables in correct format and at end of text (after references) on separate pages
- Figures in editable format (pdf, excel, Word, ppt) and at end of text (after references) on separate pages
- Once the submission process is complete and the article has been checked, the corresponding author will receive a request to log on again to submit an electronic copyright form directly on the website
- On acceptance, all listed authors will be contacted to submit an electronic copyright form directly on the website
- A publication charge of 1500€ will be levied for each accepted article. Authors may use the PayPal facility on the Manuscript Central site
